

Kick off of the EuRIC Glass Group

EuRIC is launching a new Group focusing on glass recycling.

[ANAREVI](#), the Spanish Glass Recycling Association, [BVSE Glas](#) and [FEDEREC Verre](#) are the founding Members of this Group, gathering National Associations whose activities cover glass recycling.

Dominique Maguin, EuRIC President, speaking in the aftermath of [EuRIC Annual Event](#): *“It is a great pleasure to see that a year after its launch, EuRIC adds a new resource stream under its umbrella”*.

The new group will be focusing on glass recycling in the framework of the new circular economy package and other EU-wide policy issues of interest for glass recycling.

*About EuRIC

EuRIC is the umbrella organisation for recycling industries in Europe. Through its Member Federations from **19 EU and EFTA countries**, EuRIC represents today **across Europe** over:

- **5,500 companies** generating an aggregated annual turnover of about **€95 billion** involved in the recycling & trade of various resource streams;
- **300,000 non-outsourcable jobs**;
- **An average of 150 million tons of waste recycled per year**
